

On Thursday, August 27, 2009, we are proud to celebrate the 18th Annual Scholarship Golf Outing.

This event enables Ocean County mayors, Ocean County corporations, and friends to renew and strengthen relationships vital to our Ocean County high schools and communities, and provides an opportunity to help students who need financial assistance. The proceeds from this golf outing go entirely to fund the scholarship program. As the result of the Ocean County Mayors' Association golf outing over the past 17 years we have awarded over \$401,000 in scholarships.

The Ocean County Mayors' Association awards seventeen - \$1,000 scholarships to one high school senior from each Ocean County high school. Six additional \$500 scholarships are awarded to Ocean County students attending Ocean County Vocational Technical schools. The Association also awards \$5,000 to the Trustees of the Ocean County College for a scholarship fund distributed to incoming Ocean County College freshmen. In addition, the William T. Hornidge Scholarship provides \$1,000 to the person who achieved the highest academic record achieved during four years attending high school.

Let your sponsorship and participation be an integral part of this vital program and join us on this important day. The following information outlines the specifics of the program: the outing schedule, player enrollment information, and sponsorship options.
