Dear Mr. Corby,

I am writing to sincerely thank you for your generous \$1,000 Russell K. Corby Scholarship. I was extremely happy and very appreciative to learn that I was selected as the recipient for your scholarship. I am truly honored. I know scholarships these days are very sought after and competitive.

I will be attending Keuka College, in Upstate NY, in the fall. I have been admitted into their Master degree program, for Occupational Therapy. I cannot wait to work with, educate and help children with special needs.

By awarding me this scholarship, you have helped lessen my financial burden. This money will be going directly into a savings account for my books. Having a major within the medical field, I am aware that my books will not be cheap. Your kindness will be remembered each and every time I need to buy books; and for that, I cannot thank you enough. You have my deepest gratitude and most heartfelt thanks.

Sincerely,

Alexis Dohn
