

Dear Mr. Craig E. Henry and Whom It May Concern, ²⁰¹⁸

Thank you so much for honoring me with the Ocean County Mayor's Association Scholarship! I truly appreciate the recognition and am beyond thankful for the contribution toward my education fund. Thank you again for this prestige honor and I'm regretful I was not able to attend the banquet of recognition.!!

P.S. Would you be so kind as to fill out the included document and return it ^{? My university requires it to be} completed by any organization that gives me a scholarship. Thank you!!!
