Dear Members of the Ocean County Mayors' Association,

I am writing to express my gratitude to you for making the Ocean County Mayors' Association Scholarship possible. I was so pleased to learn that I had been selected for this honor and I am very appreciative of your support.

I am planning to attend Stevens Institute of Technology in the fall and major in Engineering. The financial assistance that you have provided will be very helpful toward my educational expenses.

Thank you again for your generosity and support. I promise that I will study and work hard in hopes of eventually giving back to others as you have chosen to give to me.

Sincerely,

Michael A. Heck, Jr.
