

Ocean County Mayors' Association,

'18

Thank you for awarding me this Scholarship and award. I am grateful to have my future supported by the Ocean County Mayors' Association. I will put the scholarship to good use - furthering my education as a part of the Rutgers Honors College - New Brunswick & Robert Wood Johnson Medical School 4+4 BS/MD. I am excited for my future as a physician so I can give back to many people who have given so much to me, and help many others. Thank you again for the scholarship. I am honored to be a recipient.

Sincerely,

Kimberlee Sibilio
