

Dear Members of the Ocean County Mayors Association,

I am honored and grateful to have been selected as a recipient of the Ocean County Mayors Scholarship. Thank you for your generosity and for investing in the future of students throughout Ocean County.

Receiving this scholarship is both a privilege and an encouragement as I prepare to continue my education at the University of Virginia after graduating from Central Regional High School. Your support will help ease the financial burden of college and allow me to focus on achieving my academic and personal goals.

I appreciate the commitment the Ocean County Mayors Association has shown to recognizing and supporting students who strive to make a positive impact in their schools and communities. It is inspiring to know that local leaders value education and are willing to invest in the next generation.

Thank you again for this incredible honor and for your continued dedication to the students of Ocean County. I am truly grateful for your support and confidence in my future. I look forward to making the most of the opportunities this scholarship will help provide and to giving back to my community in the years ahead.

Sincerely,

  
Landon Kavanagh
